

Welcome to the spring semester at SUNY Cortland! I'm so glad you are here. I am Cheryl Smith, the Coordinator of Non-Traditional Student Support and I work in the Advisement and Transition office in Brockway Hall Jacobus Lounge.

Why are you receiving this newsletter? SUNY Cortland defines non-traditional students as those who are 24 years of age, or regardless of age, those who have dependent children, employed full-time or have had a break in education since high school or military experience, or, perhaps, you are a commuter.

We hope this newsletter offers you timely and helpful information.
