## Calendar System

Regents regulations register programs as requiring a specified number of credits or semester hours for degree completion where a Carnegie credit or semester hour is defined as the equivalent of 15 hours (of 50 minutes each) of instruction and at least 30 hours of supplementary study outside the classroom. Calendar systems other than traditional semester systems may refer to a credit unit that does not fit this definition.

\* Students reported on this form are on the following calendar system (check one)

*Semester*

\* Are the credits you are reporting on this form Carnegie semester credit hours as defined above?
