Dear Colleagues:

As part of its commitment to promoting objectivity in research and in compliance with federal regulations on conflict of interest, the Research Foundation of SUNY College at Cortland has adopted an Annual Disclosure Policy. ***This policy requires that all faculty/staff submitting a proposal through The Research Foundation of SUNY submit an annual disclosure form*** to ensure that the design, conduct and reporting of sponsored program activity will not be biased by the significant financial interests or obligations of any investigator. To comply with this policy, each investigator must submit an annual disclosure form on or before October 1st (attached) for:

- submission of an application to an external sponsor, or

The submission of this annual disclosure satisfies the requirements of the Department of Health and Human Services (PHS) and the National Science Foundation (NSF). These agencies require that, by the time an application is submitted, each investigator planning to participate in PHS- or NSF-funded research has disclosed his/her known significant financial interests (and those of his/her spouse and dependent children) (42 CFR Part 50 Subpart F and 45 CFR Part 94 and Chapter IV of the NSF Grant Policy Manual). *This policy is being applied to all faculty/staff submitting proposals through the Research Foundation of SUNY at SUNY College at Cortland.*

**Please complete the attached form and submit it to Research and Sponsored Programs
Office: RSPO@Cortland.edu**

Questions concerning this policy or the annual disclosure *should be addressed to the Director of Research and Sponsored Programs, SUNY College at Cortland, 607-753-2511.*
