GDM major	This now looks like a 79 credit major, but it's not clear that the dept intended that.	Hold
CHE 550 Enzymology	Dept has confirmed this is not a "shared resource" course. Li will be able to reset that in curriculumog – still await the new syllabus.	Hold
•New Business		
CAP 209 Introduction to Programming with Python	New course. Just needs to remove prereq statement from course description.	Approved
