MAT 115 Elementary functions.	Course alteration. Now titled Precalculus – and change to prereqs. Attached syllabus has old title and prereq.	Contingent pass
CRM/SOC 363 Alternatives to Incarceration	New course. While crosslinked, the two forms are not connected in curriculog. The CRM proposal needs to identify the SOC proposal. In the CRM proposal the course restriction “by major” needs to be deleted. No sign of a program alteration in the pipeline... wouldn’t that help students?	Contingent pass
SOC 293 Methods of Social Research I	Number change from 493 to 293. The attached syllabus should reference the new prereq	Contingent pass
SOC 294 Methods of Social Research II	Number change from 494 to 294. The attached syllabus lacks the catalog course description. Needs a comma in the prereq: “SOC 100 or 150,”	Hold pending new syllabus
